

HER HIGHNESS SHEIKHA MOZA BINT NASSER PARTICIPATES IN QATAR FOUNDATION STAGE OF ‘FLAG RELAY’

Display of national pride hosted by Qatar Olympic Committee sees Qatari flag carried across the country

Her Highness Sheikha Moza bint Nasser, Chairperson of Qatar Foundation (QF), today participated in the ‘Flag Relay’ at Education City, which was attended by Her Excellency Sheikha Hind bint Hamad Al Thani, Vice Chairperson and CEO of Qatar Foundation, and His Excellency Sheikh Joaan bin Hamad Al Thani, President of Qatar Olympic Committee.

The sport-themed event saw the Qatari flag carried across the nation by athletes, students, and members of the public, with Education City forming part of the relay route. The stage of the Flag Relay that unfolded at QF concluded with Her Highness Sheikha Moza bint Nasser receiving the Qatari flag at Education City’s Oxygen Park.

QF’s involvement in the Flag Relay – which covered a distance of about 380km across Doha and, in addition to marking Qatar National Day, also served as a celebration of Qatar’s sporting achievements – reflected its continued contribution to nurturing a strong, healthy, active, and engaged society in Qatar through its community development initiatives and programs.

After arriving at Education City, the flag was received by a student from Qatar Academy Doha, part of QF’s Pre-University Education, and then traveled by hand and on horseback to QF HQ, where it was received by Mrs. Machaille Al-Naimi, President of Community Development, QF. Having been carried through QF HQ by Mrs. Al-Naimi, the flag was taken forward by Education City students who jogged through QF partner university Weill Cornell Medicine – Qatar (WCM-Q).

Outside WCM-Q, the emblem of Qatar was received by Her Excellency Sheikha Hind, who carried the flag to Qatar National Library. It was then passed to national cycling team member Abdallah Al-Juaidi, who, together with a group of cyclists, rode the flag to the entrance of Oxygen Park.

Participants in the Education City stage of the Flag Relay contributed to national efforts to strengthen the pride, unity, and solidarity of Qatar’s community.

Qatar Foundation – Unlocking Human Potential

Qatar Foundation for Education, Science and Community Development (QF) is a non-profit organization that supports Qatar on its journey to becoming a diversified and sustainable economy. QF strives to serve the people of Qatar and beyond by providing specialized programs across its innovation-focused ecosystem of education, research and development, and community development.

QF was founded in 1995 by His Highness Sheikh Hamad bin Khalifa Al Thani, the Father Amir, and Her Highness Sheikha Moza bint Nasser, who shared the vision to provide Qatar with quality education. Today, QF's world-class education system offers lifelong learning opportunities to community members as young as six months through to doctoral level, enabling graduates to thrive in a global environment and contribute to the nation's development.

QF is also creating a multidisciplinary innovation hub in Qatar, where homegrown researchers are working to address local and global challenges. By promoting a culture of lifelong learning and fostering social engagement through programs that embody Qatari culture, QF is committed to empowering the local community and contributing to a better world for all.
